How can you get involved?

Sponsoring:

Presenting your institution as a Sponsor of the Summit will enable you benefit from the numerous branding collateral/assets that we have established to ensure you have an increased visibility during the conference.

Exhibiting:

As an Exhibitor, you are open to the deluge of visitors during the 4-day conference and are able to search for prospective partners’ **on-the-spot** at your individually designed stand at the exhibition fair which is focused towards maximizing the opportunities for all exhibitors to interact with and influence visiting Investors and trade professionals.

B2B:

There is an opportunity and an ideal platform for business matchmaking to meet the people who really matter to you and your business. You will showcase your products and services directly to multiplier’s of millions of Diasporas and your most important potential clients as well as reinforce your commitment to the market and to your existing contacts, thereby enabling a synergy of sectoral networks between Businesses and the

Diaspora fellowship:

The event will provide a huge platform to fellowship for knowledge sharing, business networking for conference participants as we reveal spirit of oneness as a country and tap into the immense available talents and contributions of the Diaspora community.

The Nigerian Diaspora Conference (NDC) 2021 has been designed with a format that enables registered delegates identify partnering opportunities and pre-arrange private one-on-one meetings with representatives of registered firms or participants hence selecting the most suitable potential partners.

Diaspora Exhibition:

During the sessions, there will be an accompanying specialized Diaspora exhibition. The goal of this exhibition is to showcase many innovative Diaspora Initiatives that can grow your business exponentially and help awaken Diaspora business community's interest in your products and vice-versa. Your participation in the exhibition will also expose you as a Diaspora to the many commercial opportunities that do exist in Nigeria.
